Jeanne HAMRAZ is one of the sisters of my grand-father, Jean STEIN. Her maiden name thus was STEIN.

She was born in TETANGE, Kayl, Grand Duchy of Luxembourg as "Johanna STEIN", Johanna being the German equivalent of Jeanne.

Her first nationality therefore was LUXEMBOURG, but she probably acquired the FRENCH nationality when living in PARIS (France) where she met a young Iranian student (later Dr. HAMRAZ) whom she married and afterwards lived with in Tehran.

According to a letter sent by her daughter Pari to my mother Jeanne STEIN (same as Jeanne Hamraz), Jeanne Hamraz died on 25 October 1982.
